**Terms:** - To attend sessions regularly; maintain daily practice (at least 20 minutes a day) and to work with the CD backing tracks; pay the fee at the start of each phase of the course. [Wind Orchestra instruments include Clarinets, Flutes, Trumpets and Trombones, these are the cheapest; others include tubas, euphoniums, French horns, bassoons, oboes, saxophones and percussion].

The Phase 1 Beginners will give you all the basic knowledge to start you on this wonderful musical journey, lasts for 10 weeks, 2 hours per week, includes your first tutor book and only costs £50. The whole group learns together therefore you are encouraged to attend every session. In that time you will learn the basic technique of your instrument and start learning to read music and in most ways you will be almost grade 1 standard (ABRSM). Once payment is made for a phase there are no refunds. After week 2 you will need your own music stand. A good sturdy black one is recommended for later concert and outside use. Phase 1, 2 and 3 Starters will give you knowledge up to about grade 2 standard and will be completed by December 2010, if you maintain regular practice and attend the classes. Phase 2 will run from April to July, and Phase 3 September - December. During Phase 3 you will be integrated into CWOB (NOW Community Wind Orchestra B - Thursday evenings) at no extra cost! Parents are encouraged to learn alongside their children. Any person, at any age, can learn an Orchestral Wind Brass or Percussion instrument with NOW, but bear in mind classes move on quite quickly and are 2 hours long; therefore we recommend from age 9 upwards. (If there is any impairment or you have any questions please contact Andrew on the above telephone number.) Many thanks, Andrew.
